

# TECH-FLO<sup>®</sup> Bloom Blend 1-10-0

## GUARANTEED ANALYSIS

Total Nitrogen (N).....	<b>1.0%</b>
0.2% Ammoniacal	
0.8% Urea Nitrogen	
Available Phosphate (P <sub>2</sub> O <sub>5</sub> ).....	<b>10.0%</b>
Calcium (Ca).....	<b>5.0%</b>
Magnesium (Mg).....	<b>1.5%</b>
Boron (B).....	<b>0.25%</b>
Cobalt (Co).....	<b>0.1%</b>
Copper (Cu).....	<b>0.5%</b>
Iron (Fe).....	<b>0.5%</b>
Manganese (Mn).....	<b>0.5%</b>
Molybdenum (Mo).....	<b>0.1%</b>
Zinc (Zn).....	<b>2.0%</b>

Derived from: Ammonium Phosphate, Urea, Calcium Phosphate, Calcium Sulfate, Magnesium Phosphate, Ferrous Sulfate, Copper Oxysulfate, Manganese Oxide, Manganese Sulfate, Zinc Oxysulfate, Boric Acid, Ammonium Molybdate, and Cobalt Sulfate.

11.30 lbs/gal

## **SHAKE WELL BEFORE USING**

**ADEQUATE AGITATION SHOULD BE MAINTAINED AT ALL TIMES DURING MIXING AND APPLICATION.**

**TECH-FLO Bloom Blend** provides essential plant nutrients in a highly concentrated, easy to use, flowable formulation.

## **KEEP OUT OF REACH OF CHILDREN**

**WARNING:** This product contains Molybdenum (Mo). Crops high in Molybdenum are toxic to grazing animals (ruminants). Use according to manufacturer's directions.

**WARNING:** This product contains Boron (B) and is to be used only where Boron is known to be beneficial and on the crops recommended on this label. Any other use may result in injury to crops.

## **WARNING: Causes eye and skin irritation**

Wear protective clothing, gloves, eye and face protection. Do not eat, drink or smoke when using this product. Wash hands thoroughly after handling. Remove and wash contaminated clothing before reuse. Avoid breathing vapor, mist or dust from this product. Not for human or animal consumption.

**If in eyes:** Rinse thoroughly with water for several minutes. Continue rinsing and get medical attention if eye irritation persists. **If on skin:** Wash with plenty of soap and water. **If swallowed:** Rinse mouth and get medical attention if you feel unwell.

# TECH-FLO<sup>®</sup> Bloom Blend

A.4

## GENERAL RECOMMENDATIONS FOR USE AS A NUTRITIONAL SPRAY

Uniformly apply the suggested rates of TECH-FLO in the following amounts of water per acre.

	Dilution	Foliar Rate	Application Timing
Field, Row & Vegetable Crops	By air: 3-20 gal By ground: 5 gal min	1 pt - 4 qts	Apply every 1-4 weeks as needed, starting pre-bloom
*Asparagus do not exceed 2 qts per acre per application			
Tree & Vine Crops	By air: 10 gal min By ground dilute: 100-500 gal By ground concentrate: 25-100 gal	1 pt - 4 qts	Apply every 1-4 weeks as needed, starting pre-bloom to post harvest
**Kiwi do not exceed 2 qts per acre per application			
***Citrus, Walnuts, Pistachios and other deciduous tree nuts maximum rate 6 qts per acre per application			
In oil sprays: use 1-4 pints per 100 gallons		Minimum dilution rate: 1 quart per 3 gallons.	

**NOTE:** TECH-FLO products may leave a visible residue. Do not use within 3-4 weeks of harvest on crops where visible residue is a concern. FOR TABLE GRAPES: Do not apply within 6-8 weeks of harvest.

**NOTE:** GRAPES: Applications of this product with micronized sulfur products at early cane growth may cause tissue damage to young growth.

**COMPATIBILITY:** This product is compatible with most crop protection materials. A compatibility test is recommended when using new combinations. Consult NTI representative for more detailed information.

**SOIL APPLICATIONS:** For all crops: 1-12 qts per acre, apply to root zone as needed every 1-3 weeks. Do not apply with phosphate or sulfate fertilizer products. Any previously applied phosphate or sulfate fertilizer should be thoroughly flushed from fertigation equipment prior to application of TECH-FLO. Apply TECH-FLO products slowly into fertigation equipment in the early part of the water application.

Store in a cool, dry, well-ventilated area away from heat, combustible and in compatible materials. Dispose of unused contents, container, and other contaminated wastes in accordance with local, state, and federal law.

**NOTICE:** Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>

### WARRANTY DISCLAIMER AND LIMITATION OF LIABILITY

Nutrient Technologies, Inc. ("NTI") warrants that this Product conforms to the specifications on this label. To the extent consistent with applicable law, NTI makes no other warranties and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for a particular purpose. No agent of NTI or any other person is authorized to make any representation or warranty beyond those contained herein. It is impossible to eliminate all risks associated with this Product. Plant injury, lack of performance, or other unintended consequences may result because of factors such as abnormal weather conditions, use of the Product other than in strict accordance with this label's instructions, presence of other materials, the manner of application or other factors, all of which are beyond the control of NTI or the seller. To the extent consistent with applicable law, all such risks shall be assumed by the Buyer. To the extent consistent with applicable law: 1) NTI disclaims any liability whatsoever for special, incidental or consequential damages resulting from the handling or use of this Product and 2) NTI's liability under this label shall be limited to the amount of the purchase price or, at the election of NTI, the free replacement of the Product.
